NEW DROP OFF SYSTEM AT SCHOOL

Over the past few weeks, we have implemented a new system for dropping off students at school which includes our first “Lollipop” person to direct buses, taxis and private car drop offs. If you drop your child at school in the back entrance, you can park under the covered area and cross safely with the traffic safety monitor. You do not need to join the bus queue.

Private cars can also continue to use the short term parking space in Salisbury Street.

THE FEELIX LIBRARY

– for Early Years and Lower Primary students
Vision Australia’s Felix Library provides story suitcases by mail with Brailled and tactile books, real objects and a CD recording of many picture books. Contact your child’s teacher if you would like a referral form for this service.

EASTER CELEBRATION

The school will be celebrating Easter with a morning tea. Family and friends are welcome to join us at 10.30am on Tuesday the 28th of March. Please advise if you plan to attend, so we can cater for the correct number. Easter Bonnet wearing is welcome (though optional).

SENSORY SOULS

www.sensorysouls.com.au

Sensory Souls was created in August 2011 and began with organising movie days where children are free to move around the cinema, with dimmed lighting and lowered sound. In September 2013, the group recognised a need for children to have a wider range of fun and new experiences and subsequently have expanded their events to include horse riding, tenpin bowling, surfing, pool days, stand-up paddle boarding, museum visits, train rides, theme park visits and sensory Santa.

You can check out their website or like their Facebook page to see the coming events in Brisbane and surrounds.
