

Investing for Success

**Under this agreement for 2016
Narbethong State Special School will receive**

\$30,965*

This funding will be used to

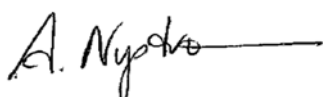

- Increase communication and literacy abilities for each student based on goals developed within each student's ICP (Individual Curriculum Plan) and ILP (Individual Learning Planning)
- Identify students who need to access an alternate communication method
- Provide the necessary resources to ensure students have access to individualised communication tools
- Increase support from regional SLP (Speech Language Pathologist) to assist staff
- Achieve school goal of 100% of identified students have access to an individual PODD (Pragmatically Organised Dynamic Display) communication book within 2016

Our initiatives include

- Reviewing student engagement and performance based on data collected in specified learning areas each semester
- Video evidence of communication modelled by staff and communication engagement by students to assist analysis of achievement and inform future planning
- Continue and strengthen staff capability through professional development and expertise delivered by Gayle Porter and school based SLP
- Alignment of specific teaching practice and assessment to support student outcomes as acknowledged within QSR & AIP documents
