

Investing for Success

Under this agreement for 2020

Narbethong State Special School will receive

\$30,248*

This funding will be used to

Target	Strategies	Measure
Increase staff knowledge around literacy & communication, teaching & learning, understanding and practice re: data collection methods, data analysis and future planning.	Twice yearly moderation of evidence across sectors. Use of ROCC – Roadmap of Communicative Competence for assessment.	Relevant data collection outlined within ICPs and ICP goals achieved. Data comparison between baseline point and data collected each ICP teaching and learning period. Baseline, achievement and goal setting.
Increase parent/carers understanding of school literacy program & student communication devices.	Teacher to communicate directly with parents to encourage attendance. Whole school information given to parents each term.	Parent attendance at ICPs & ILPs meetings. Parent attendance at information sessions led by staff. Amount of interest/traffic additional website information generates.

Our initiatives include

Developing a whole school approach to teaching literacy (communication) across all learning areas.

Developing a shared staff understanding of our literacy data and support teachers to effectively use data to develop targeted teaching opportunities.

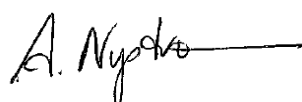

Providing opportunities to educate parents/carers to support the communication/literacy development in the home environment.

Revisiting our website to further add and expand the availability of specific literacy & communication material.

Sharing our school pedagogical framework which reflects and acknowledges the gains achieved working with the Australian Curriculum, The Expanded Core Curriculum for VI Students and the FIELA Curriculum.

Our school will improve student outcomes by
